Row Number	Did they get the point?	Why?
1	Yes	It meets the requirements for a computing innovation.
2	No	They explain features and not the purpose.
3	No	They only identify features and not an effect
4	No	They didn't get row 3, so they can't get row 4.
5	No	They do not relate it to the economy or any aspect of society.
6	No	They complete part one but not part two.
7	No	They don't elaborate on why there were data storage concerns.
8	Yes	They cited their work in-text and out of it.
